50th Anniversary Celebration

January 15–19, 2027

GRENADA, WEST INDIES

Honoring the Past. Ignite the Future.

Join Us Where It All Began

Your guide to the Celebration weekend

Fifty years ago, St. George's University opened its doors on a small, beautiful island nation with a bold vision: to bring together students from around the world and give them the opportunity to turn ambition into achievement. In 1977, our charter class and Super 8s began a journey that more than 25,000 graduates — spanning over 150 countries — have followed since. Now we invite you home to Grenada to celebrate the people, the place, and the half-century of impact that made it all possible.

- Most offers cannot be combined with other promotions, and blackout dates may apply outside celebration week — confirm details with each property.
- Review each property’s cancellation policy at the time of booking; policies vary from flexible to non-refundable.
