Benediction	Reverend Stanford Simon Conference of Churches in Grenada

COMMENCEMENT SPEAKER

KIRANI JAMES, GCNG, CBE, COG, Dr. h.c.

Dr. Sir Kirani James is a professional athlete and one of the most accomplished sprinters in Caribbean history. A proud son of Grenada, he rose to international prominence in 2012 when he won the Olympic gold medal in London, becoming Grenada's first Olympic medalist and first Olympic champion.

Sir Kirani has sustained world-class excellence across four consecutive Olympic Games, earning silver at the 2016 Rio de Janeiro Olympic Games, bronze at the 2020 Tokyo Games, and reached the final of the 400-meters at the Paris Olympic Games in 2024. He is the athlete to reach the final in the same event at four consecutive Olympic Games and widely regarded as one of the most consistent quarter-milers in history.

Throughout his career, Sir Kirani has captured titles at every major level of international competition. His achievements include World Championships gold (Daegu 2011), Commonwealth Games gold (2014), multiple NACAC Championships victories, Diamond League Final championships, and numerous junior and youth titles. In 2025, he added the NACAC 400-meter gold medal to his record, further solidifying his legacy.

In recognition of his contributions to sport and national pride, Sir Kirani has received several of Grenada's highest honors, including Knight Grand Cross of the Most Distinguished Order of the Nation, the Order of Grenada (COG), appointment as a Commander of the Order of the British Empire (CBE), and an Honorary Doctor of Laws (LLD) from the University of the West Indies Global Campus. He also serves as a sports ambassador for Grenada.

Beyond competition, Sir James is committed to service, mentorship, and community development. He serves on the Board of Directors for GREND-USA Inc. and the Windward Islands Research & Education Foundation (WINDREF). He remains actively involved in youth mentorship and academic support initiatives, including programs at Holt Elementary School and in the Crescent East community. His leadership experience also includes serving on the Athletes in Action leadership team at the University of Alabama.

Sir Kirani began his academic and athletic journey at the Grenada Boys' Secondary School before attending the University of Alabama, where he earned a Bachelor of Science in business/commerce. While competing collegiately, he won back-to-back NCAA Outdoor 400-meter Championships in 2010 and 2011.

VALEDICTORIAN, SCHOOL OF ARTS AND SCIENCES SHARIF MOTALA

Sharif Motala is the 2026 valedictorian for the School of Arts and Sciences at St. George's University.

He is graduating with a Bachelor of Science in information technology, earning summa cum laude (highest honors), and was a Provost's List recipient for four consecutive years.

Prior to attending SGU, Motala was educated at Grenada Boys' Secondary School, where he developed a strong foundation in leadership, critical thinking, and service. His academic experience at SGU strengthened his interest in technology and innovation, particularly in networking, which was further developed through his professional internship experience.

Throughout his undergraduate career, Motala held several leadership and service roles within the University community. He served as president of the Management Information Systems and Information Technology Association, information technology class representative, and department coordinator in collaboration with the Student Government Association. He also worked as a print room technical assistant within the IT Department, serving as head technical assistant and supporting faculty and students.

In addition to his academic and leadership pursuits, Motala gained hands-on experience working alongside his father, an experience that strengthened his work ethic and reinforced the value of practical knowledge, responsibility, and perseverance. These experiences further shaped his desire to apply technology to real-world challenges.

Motala aspires to establish a technology-focused business that advances digital innovation and infrastructure in Grenada, contributing to national development. He also hopes to serve as an educator, giving back through teaching and mentorship in technology, mathematics, or physics, guided by a lifelong commitment to helping others.

CLASS SPEAKER, SCHOOL OF GRADUATE STUDIES

CHRYSTELLE JOHNSON, MD '18, MPH '21, MBA '26

Chrystelle Johnson, MD '18, MPH '21, MBA '26, is a medical educator and clinician who currently serves as a lecturer in the Department of Anatomical Sciences at St. George's University. Her teaching responsibilities focus on clinical anatomy, histology, and embryology, and she is actively involved in clinical instructor training and peer-directed learning across small-group sessions, cadaver dissection laboratories, ultrasound instruction, and standardized patient encounters.

In addition to her teaching role, Dr. Johnson contributes to academic leadership and student mentorship within the School of Medicine. She serves as a faculty advisor to premedical students and several student organizations, including the Dermatology Interest Group and the Ultimate Frisbee Club. She is also course director for Anatomy and Physiology II, overseeing course administration, assessment, and reporting, and supports instructional programming through the coordination of clinical instructor activities.

Dr. Johnson earned her Doctor of Medicine from St. George's University and completed postgraduate medical training as an intern physician at Grenada General Hospital, graduating at the top of her class. She also holds a Master of Public Health in Preventive Medicine and a Master of Business Administration in Multi-Sector Health Management, reflecting a strong foundation in population health, leadership, and management.

Appearance of a student's name in the list of candidates is not presumptive of a degree.

Degrees to be Conferred:

Bachelor of Science (BSc)
Bachelor of Science in Nursing (BSN)
Master of Business Administration (MBA)
Master of Public Health (MPH)
Master of Science (MSc)

Honors Cord: The adornment of the double honors cord is a symbol of high academic standing.

Cum Laude status is designated to undergraduate students graduating with a grade point average ranging from 3.50 to 3.69.

Magna Cum Laude status is designated to undergraduate students graduating with a grade point average ranging from 3.70 to 3.89.

Summa Cum Laude status is designated to undergraduate students graduating with a grade point average ranging from 3.90 to 4.00.

ST. GEORGE'S UNIVERSITY DELTA OMEGA HONORS SOCIETY INDUCTEES

These graduates will be inducted into the St. George's University *Gamma Kappa* Chapter of the *Delta Omega* Honors Society:

Precilla Barry	Allan Kawiiso	Abiolah Telesford
Kynan Brown	Yeenah Lee	Jonathan Valdivia
Freya Gandhi	Howard Lo	Michael Wilson
Ana Gonzalez	Katie Luc	Kirani James (Honorary)
Madushini Gunasekera	Lindon Noel	
Rebekah Janse Van-Rensburg	Shelicia Rogers	

St. George's University hosts the *Gamma Kappa* Chapter of the *Delta Omega* Honors Society. The top 10 percent of MPH graduates who demonstrate excellence in education and scholarship in research and service are inducted into the *Delta Omega* Honors Society.

THE FLORENCE NIGHTINGALE PLEDGE

In full knowledge of the obligations, I am undertaking

I promise to care for the sick, with all the skills and understanding I possess, without regard to race, creed, color, politics, or social status, sparing no effort to conserve life, to alleviate suffering, and to promote health.

I will respect at all times, the dignity and religious beliefs of the patients under my care, holding in confidence all personal information entrusted to me, and refraining from any action that might endanger life or health.

I will endeavor to keep my professional knowledge and skill at the highest level, and to give loyal support and cooperation, to all members of the health team.

I will do my utmost to honor the international code of nursing ethics, and to uphold the integrity of the professional nurse.
